

Responsible Blogging Guidelines

- Blogs are in a public space – be proud of anything that you write or post. (It may come back to haunt you...) *Do not post information or pictures of others* without their permission – never use full names.
- Never include a link to a website you haven't read completely. Make sure it is appropriate. If in doubt- ask for advice from your teacher.
- Be responsible when posting on the internet.
- Write with full words and sentences.
- Don't post anything about yourself that you wouldn't like to see posted world wide.
- NEVER post your full name or the full name of others: only first names.
- NEVER post any details about where you might live:
Eg. ☹️ *"Hi I'm Robert and I live on Beechworth rd, Wodonga"*
☺️ *"Hi I'm Robert and I live in Albury-Wodonga"*
- NEVER post any information that may lead to your identity. Be careful of any information you reveal.
Eg. ☹️ *"I play football for the Wodonga Raiders. My game's at 7.30 this Friday"*
☺️ *"I play football with a local team during the week"*
- Always watch for bad language - see your teacher if this occurs.
